### Homeless/Risk of Being Homeless Worksheet 2019-20

Students twenty-three (23) years old or younger should submit this form if they received a determination at any time on or after July 1, 2018 that they were an unaccompanied youth who was homeless or at risk of being homeless. "Homeless" means lacking fixed, regular and adequate housing (e.g., living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or temporarily living with others because you have nowhere else to go). If you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide you a place to live. "Unaccompanied" means you are not living in the physical company of parent or guardian.
