Consider making interest-only payments while in school!
Federal Requirements

Must declare a major (be degree seeking) by 45 earned hours or more

Must maintain Satisfactory Academic Progress:

- Cumulative Ole Miss (resident) GPA of 2.0 at the end of the spring semester.
- Pass at least 67% of the credit hours attempted
- Attempted hours at all schools can not exceed 180

*This requirement is different than the academic standard*
To keep your federal aid, you MUST go to class!

Your instructor will be taking attendance during the first 2 weeks of the semester.

Financial Aid will then “lock in” your fall enrollment on September 16th, 2019.

You must be confirmed at least once in EACH class by then! Otherwise, you may be:
  • Dropped from courses.
  • Lose financial aid eligibility OR have to pay back funds you just received!

Keep this requirement in mind when you drop/add classes!
Don’t wait until September 16, 2019!
Something to think about…

Let’s say you are taking 12 credit hours for Fall
All 4 courses are MWF – meeting 40 days in a semester

• MS Residents: if you skip one day, you are costing yourself roughly $100 a day.

• Non-Residents: if you skip one day, you are costing yourself roughly $300 a day.
Credit-Based Loan Options

- Federal Direct PLUS loan or private education loan – you decide which is better for you
- Appears as “Est. Credit Based Loan” on your award letter
- Can borrow up to full “Costs of Attendance” - minus other aid
- Interest begins immediately
- Must apply on-line directly with the lending source
- Be sure to apply for the appropriate term! (i.e. Fall/Spring combined, Fall only, Spring only, or Summer)
Federal Direct Parent Loan (PLUS)

- A parent (or step-parent in some cases) is the borrower
- The student must be a dependent student
- 7.08% fixed interest rate (effective July 1, 2019)
- 4.236% origination fee (effective Oct. 1, 2019)
- Excess funds go to the parent
- **Parent must apply at** [https://studentloans.gov](https://studentloans.gov) **beginning June 1st, 2019.**
- **Loan application must be submitted while the student is still enrolled and before the last day of a certain term in order to allow enough time for processing**

If the parent is denied by credit, the student may be eligible to borrow additional funds under the Federal Direct Loan program
Private Education Loans

- The student is typically the borrower, but there are parent loan options as well
- Dependent and independent students may borrow
- Interest may be fixed or variable BUT offer depends on level of credit-worthiness
- A co-signer is usually needed and can improve the pricing
- Most of the private products UM students use do not have an origination fee
- Apply directly with lender – go to the Financial Aid website as a starting point
- Typically takes 2 weeks for UM to receive funds – plan ahead!

Other Financial Resources

**Private Scholarships** – checks for awards provided by outside organizations (such as a parent’s employer, community club, local service etc.) are processed through Financial Aid.

**Pre-Paid Tuition Plans** - students should work with the Office of the Bursar if they have purchased a pre-paid tuition plan. There may be additional documentation required in the Office of Financial Aid as well, so please check with both offices to learn about how each pre-paid plan works (Includes plans such as MPACT, Florida Pre-paid, 529, etc.)

**Military Aid** - any student that thinks they may qualify for any veteran or military aid should contact the Veterans and Military Services Office at [vms.olemiss.edu](http://vms.olemiss.edu).
Paying for College

- Determine budget and expenses.

- Accept all awards online using myOleMiss. (You can grant access to parents to view this information.)

- All aid is credited to the student’s Bursar account.

- Disbursement for Fall will begin 5 days before the first day of classes. If your aid doesn’t disburse early, your attendance will have to be verified by your instructors before your aid can be disbursed.
So, what can YOU do? (Student)

- Pay attention to what you accept and decline.
- Understand the terms and conditions of all your awards.
- Each time you consider adjusting your class schedule, be sure that you know how it may impact your award eligibility.
- *For all financial aid questions, contact our office only to ensure you receive accurate information.*
Be Mindful of How Much You Spend

- 3 Tall Café Mochas per week
  $3.95 (x3) \times 15 \text{ weeks} = $177.75 \text{ per semester}

- 7 Tall regular coffees per week
  $2.02 (x7) \times 15 \text{ weeks} = $212.10 \text{ per semester}

Or, how about brewing your own coffee!!! One 48oz can of ground coffee at a grocery store costs about $13 and makes up to 380 (6 oz.) cups of coffee.
So, what can YOU do? (Parent)

- Sign up for Parent/Guest access
- Have the student give us permission to discuss their financial aid information with you
- Encourage the student to understand how adjusting class schedules could impact their award eligibility.
- *For all financial aid questions, contact our office only to ensure you receive accurate information.*
