Additional required information: Please report the amounts of each monthly expense below. Include only the base monthly cost(s). DO NOT include late fees, connection costs and/or deposits. Each cost listed below must be clearly documented—you must attach an updated and complete copy of your lease agreement or mortgage statement and your most recent itemized utility bills (e.g., gas, electric, cable, phone, water/sewer, garbage and internet). Only documented housing and utility costs will be considered. The U.S. Department of Education guidelines stipulate that housing/utility cost considerations must be "modest but adequate." Therefore, considerations for cable/satellite are limited to \$50, and phone/internet service costs to \$60, regardless of documented costs.
