Adjustment to Expected Family Contribution 2019-20

You may complete this professional judgment request if your, your spouse's (*for independent students*), or your parents' (*for dependent students*) financial, marital, or family situation has changed or differs significantly from the information you originally provided on your 2019-20 Free Application for Federal Student Aid (FAFSA), which was based on 2017 tax and income information, but current household and asset information.

Our office will review the information from this form, required supporting documentation you provide (see below), and information from your FAFSA application to determine if we can make any adjustments to your Expected Family Contribution (EFC), which may assist you in receiving increased eligibility for need-based federal financial aid. **Please note: submitting this form in and of itself, does not guarantee that your request will be approved, or that you will qualify for additional aid. Whether you receive additional financial aid will depend on your new eligibility status and the availability of funds.**

REQUIRED SUPPORTING DOCUMENTATION (must be submitted with this form):

- **Personal Statement:** Please attach a personal statement, written, signed, and dated statement that explains your special circumstances. Also list ALL income currently received by your household. Be sure to include all pertinent information and dates of events.

- **Use of the IRS Data Retrieval Tool on the FAFSA, OR submission of 2017 Tax Return Transcript:**

If you or your parents DID use the IRS Data Retrieval Tool when completing the FAFSA (and did not change any transferred information), you should also provide signed copies of the 2017 federal income tax return (completed IRS 1040, 1040A, or 1040EZ form) or the 2017 IRS Tax Return Transcript.

If you or your parents DID NOT use the IRS Data Retrieval Tool when completing the FAFSA, you must submit the 2017 IRS Tax Return Transcript(s). To request a tax return transcript, contact the IRS at 1-800-908-9946, or visit <https://www.irs.gov/>. Click on the 'Get My Tax Record' bar on the IRS homepage. From there, select 'Get Transcript Online' to receive an electronic version of the transcript, or 'Get Transcript by Mail' to receive a copy by mail. When making an online request for the tax return transcript, the transcript displays online upon successful completion of the IRS's two-step authentication. Student tax filers then have the option of downloading the transcript, or requesting it be mailed to the address on record with the IRS. Please be sure to request the 2017 Tax Return Transcript(s)—NOT the 'Account Transcript' and NOT a copy of the actual return(s). **NOTE: You may still elect to use the Data Retrieval Tool by accessing the student's most current FAFSA application online, selecting "Make FAFSA Corrections", and navigating to the Financial Information section of the FAFSA.**

- **Copies of 2017 W-2 forms, tax schedules, and/or other income documents (such as benefits statements).**

NOTE: If copies of any tax or other income documents were provided for the FAFSA verification process, do not submit them again. Was this type of documentation submitted for the verification process? Yes No

- **Other documentation** supporting your request.

Check the appropriate reason(s) for your request below.

_____ 1) **A CHANGE IN THE FAMILY SITUATION OCCURRED DUE TO THE DEATH OF A SPOUSE OR PARENT.**

Please provide a copy of the spouse's or parent's death certificate.

_____ 2) **THERE ARE LOSSES OF INCOME OR BENEFITS.**

Please indicate if you, your spouse, or your parents (*for dependent students*) are now earning less than what is reported on your 2019-20 FAFSA, or if there are benefits that have been reduced or suspended.

___ **A. Loss of income from work:** There must be at least 3 months of lost income.

Attach documentation from your employer stating the effective date of separation from work or pay change and confirming the amount of reduced wages if applicable. PLEASE NOTE: we cannot use any documentation that reflects *future* events (i.e., anticipated date of resignation or separation from job) – the event must have already happened.

Was a severance package provided? **Yes** or **No**
(If so, provide severance agreement.)

Is unemployment being received? **Yes** or **No**
(If so, attach statement of benefits.)

Is disability being received? **Yes** or **No**
(If so, attach documentation of benefits.)

Please be aware that unless the income loss is permanent in nature (e.g., retirement, or quitting work to return to school full-time), processing a request of this type is somewhat premature until 2018 tax information is available. **In most cases we will request both the 2017 and 2018 tax documents.** In some cases, we may also wait until the 2019 tax return is filed and use 2019 tax/income data as the financial snapshot when re-evaluating eligibility for the 2019-20 academic year.

___ **B. Loss of benefits** (e.g., Social Security, Veterans' benefits, retirement income, child support, or unemployment).

Provide notification of benefit termination or reduction, stating effective date and new monthly amounts if applicable.

Specify type of benefit affected: _____

_____ 3) **A CHANGE IN MARITAL STATUS OCCURRED SINCE THE INITIAL APPLICATION FOR FINANCIAL AID WAS PROCESSED.**

_____ If this involves the separation or divorce of a **dependent student's** parents, please submit a copy of the Divorce Decree or documentation to verify that a separation has occurred. Also provide confirmation of who will be the student's *custodial* parent during the academic year.

_____ If this involves the separation or divorce of an **independent student**, please submit a copy of the Divorce Decree or documentation to verify that a separation has occurred.

_____ If this involves a **dependent student** marrying *after* the initial FAFSA was filed, please provide a copy of the marriage license, and appropriate tax documentation for *both* student and spouse (additional documentation may be requested before FAFSA corrections are made).

_____ 4) **EXTRAORDINARY MEDICAL/DENTAL EXPENSES HAVE BEEN PAID.**

To adjust for medical/dental expenses, you must document whether you have **paid, out-of-pocket expenses** beyond the set amount for medical/dental care that is already figured into the federal EFC formula. **Unpaid bills, estimates, or amounts strictly covered by insurance will not be considered.** Please provide:

The **IRS Tax Return** that matches the calendar year when the medical expenses were incurred, and a copy of the **federal tax Schedule A** for that year's return.

OR

For the appropriate calendar year when the medical expenses were incurred, a **signed statement from your medical/dental provider** (which must include the name, address, and contact information of the medical/dental provider), or documentation that details:

- Original medical/dental expenses, patient's name, and dates of service
- Amount paid (or to be paid) by insurance—including any other adjusted amounts off the balance due
- Amount actually paid by the individual for any medical services rendered

_____ 5) **A SIGNIFICANT AMOUNT OF ONE-TIME INCOME WAS REPORTED ON THE 2017 FEDERAL INCOME TAX RETURN THAT WILL NOT BE RECURRING.**

Specify type of income reported (i.e., one-time early withdrawal from IRA Account):

Please provide an explanation and documentation of these funds. Be aware that one-time funds that are not treated as recurring income will be counted, in most cases, as asset information on the FAFSA (i.e., an increase to cash/savings/checking data). This is because the FAFSA formula assumes that part of these funds, when considered as income, should be used for the student's education. However, considering them as asset information, instead of recurring income, often benefits the student when it comes to financial aid eligibility.

_____6) **TUITION FOR PRIVATE SCHOOL (K-12) for 2019-20.**

To adjust for private school tuition, you must document **out-of-pocket expenses** for 2019-20 and provide an itemized paid receipt from the school or signed school contract showing tuition less any scholarships or discounts applied to the account (**anticipated/estimated charges or expenses will not be considered**).

_____7) **THERE ARE OTHER UNUSUAL OR SPECIAL CIRCUMSTANCES.**

If you do not meet one of the conditions above, provide a detailed explanation in your Personal Statement and attach documentation of how your financial status has changed. Please know that the federal formula does not allow us to take discretionary spending or outstanding debts into account – so things including, but not limited to, bankruptcy, large credit card balances, or the costs of a second home cannot be the basis for a change in the student’s calculated financial need.
